Pharmacy Residency Program

At Benefis, we provide a well-rounded residency experience. Residency rotations cover a broad group of potential experiences—residents have opportunities to try a variety of disciplines and make them their own. Our program is flexible and part of the year may be tailored to meet the interests of residents beyond the required rotations. Our leadership encourages residents to push themselves and to help grow the pharmacy practice. At the end of the residency, our goal is for residents to have the skills to confidently practice clinical pharmacy and be leaders among their peers.

Residency Stipend
$49,000 + benefits + travel to ASHP Midyear Clinical Meeting and Mountain States

Three resident positions are available.

To apply for the residency, utilize the match program with match number:
Match #184913 (Benefis Hospitals Inc.)

Benefis Hospitals
1101 26th Street South
Great Falls, MT 59405

www.benefis.org
Great Falls is conveniently located near both Glacier and Yellowstone National Parks. Boating and fishing are at hand with the Missouri River flowing through Great Falls, including the scenery of the waterfalls chronicled by Lewis & Clark. Skiing is also just an hour away, making the city ideal for anybody who enjoys the outdoors.

A Legacy of Leadership

Mission
We provide excellent care for all, healing body, mind and spirit.

Vision
To be the best health system in Montana.

Values
We are guided by these values:
- Quality & Safety
- Cost Effective & Efficiency
- Respect & Compassion
- Service & Stewardship
- Leadership & Teamwork
- Integrity

Comprehensive Care
Patients come to Benefis from across northcentral Montana for a wide range of care. Our health system includes the Benefis Sletten Cancer Institute, Heart and Vascular Institute, Orthopedic Center of Montana, women’s & children’s services, emergency medicine, and much more. In each specialty area, our patients get personalized care that considers not just their physical health, but their emotional well-being as well.

Committed to Healing Excellence
We are committed to being the best health system in Montana, and it shows. Benefis has received various awards from leading rating organizations, and we surpass national standards in areas such as coronary procedures, stroke care, and pulmonary care, according to Healthgrades.

Our ongoing commitment to advancing quality care is evident in the technologies, programs, and services we provide.

Awards and Recognitions
This is your opportunity to join one of Montana’s most modern and progressive health systems. Our state-of-the-art facilities and cutting-edge technologies make Benefis an exceptional working environment. Becker’s Hospital Review rated us as one of the 150 Top Places to Work in Healthcare for six consecutive years, starting in 2014. In 2018, Forbes recognized Benefis Health System in its ranking of America’s Best Employers.
