

Benefis Health System Foundation Cecil and Dorothy Goodbrand Nursing Scholarship

The Dorothy Goodbrand Nursing Scholarship was established by the late Dorothy and Cecil Goodbrand, who named Benefis Foundation as the beneficiary of their estate. Dorothy was a nurse for 30 years and Cecil was always supportive of that career, which is why they wanted to establish a nursing scholarship. This scholarship, administered by Benefis Health System Foundation, is to be applied to books and tuition only. The amount and number awarded for this scholarship is subject to change each year. Scholarship funding is renewable, although not automatic. A renewal application must be completed and submitted along with grade documentation by June 1 for fall and spring renewals.
