

Internal Medicine – Beautiful Montana!

Benefis Health System, one of Montana's largest medical groups, is seeking an Internist to join our dedicated, close-knit team! Our outpatient practice offers a mix of new and experienced physician colleagues in addition to a large group of outpatient specialists in the same building. This is a well-established, highly respected team with great referral networks.

Details

- Current practice comprised of 7 physicians, 4 APCs, an Endocrinologist and an Endocrinology Nurse Practitioner
- Clinic has outpatient Infusion Suite (non-chemo)
- Dieticians and Diabetes Educators and 2 Phlebotomists on floor
- Robust support staff including: 11 office staff, 22 clinical staff members, and a prescription nurse to ensure a smooth and efficient practice environment.
- Clinic is open M-F but schedule is flexible – part time (2-3 days) full time (4-5 days) or block schedule depending on desires
- Although # of patients per day is flexible, our providers typically see 18-25 patients daily given preference and complexity on their individual and unique schedules
- Call is very minimal as most calls are taken through hospitalist teams
- Opportunity to pick up hospitalist shifts if desired

Compensation and Benefits Great compensation structures with guaranteed salary and RVU bonus structures with opportunities to build a successful practice based on your desire. Benefits offered to employees include generous 8 weeks paid time off, malpractice coverage + tail, health, dental, vision, disability, and life insurance, as well as a 403B plan with 5% match and additional pre-tax savings programs for retirement.
