- 5-7% retirement match + 457b program
- Malpractice coverage + tail
- Physician wellness programs focused on personal and professional development
- Monthly meetings with highest-level physician and administrative leadership to bring ideas forward and solve issues

Helena, Montana: Montana's capital city of Helena has a population of 34,000 and experiences mild winters and blue skies over 300 days per year. In this charming community, you'll find a wonderful and safe place to raise a family with nationally ranked public schools, two accredited colleges, a downtown walking mall full of local shops and restaurants, beautiful state capitol grounds and a historic cathedral. Nestled between 3 mountain ranges and 4 lakes, Helena offers various opportunities for outdoor activities including camping, hiking, trail running, horseback riding, water & snow skiing, rock & ice climbing, boating, off-road motor sports, upland bird, waterfowl, and big-game hunting. Additionally, the Missouri River, a blue-ribbon fly-fishing destination, is just 30 minutes North.

Benefis Health System This is your opportunity to be part of an exceptional health system in a state that is well known for its beautiful four seasons and outdoor lifestyle. While enjoying the last best place, you'll have the added benefit of working for Benefis Health System, a standalone, financially stable community health system with strong, dedicated leadership and one of the state's most modern and progressive healthcare facilities. Our main hospital campus is located in Great Falls Montana, just 1 hour away from Helena and has over 500 beds and 340 members on medical staff. We are excited to expand our state-of-the-art facilities and cutting edge technologies to continue to follow our reputation for providing excellent patient care and an exceptional working environment, as one of Becker's *Best Places To Work in Healthcare*, 6 years in a row.
